RECERTIFICATION REMINDER

For

All Barfield Products

January 26, 2026

Dear Valued Customer,

This letter is a reminder that all Barfield test equipment requires annual recertification to ensure continued accuracy, reliability, and efficiency, as well as to maintain compliance with applicable regulatory standards.

All maintenance and repairs must be performed at our Miami headquarters located at:

Barfield Miami
4101 N.W. 29th Street
Miami, FL 33142
USA

Or at one of our approved repair stations. These locations are staffed by qualified technicians and equipped with the proper tooling, resources, and approved repair procedures to ensure your equipment is serviced to Barfield standards.

For information about our approved repair stations or for additional questions, please contact our Customer Service Department at gste.service@barfieldinc.com you may also contact us by visiting our website at www.barfieldinc.com.

Barfield is committed to providing the highest quality products, services, and support to the aviation industry.

Thank you for your continued business and support.

Sincerely,

Sebastien Losy
Vice President of GSTE Parts Trading and Distribution
